u Crikvenici

Grad Crikvenica

**Dragi prijatelji,
dobro došli u Crikvenicu!**

Moje ime je **Kiri**, a Crikvenica je moj dom koji vam želim predstaviti.

Osim mene, u Crikvenici živi još mnogo mojih prijatelja pasa. Svake godine nas posjete i brojni prijatelji iz cijeloga svijeta koji se uvijek rado vraćaju.

Jako sam sretan što u Crikvenici svake godine nastane neka nova plaža, šetnica, igralište ili drugi prostor namijenjen meni i mojim prijateljima. Tu uživamo u društvu svojih vlasnika i svih vas koji volite kućne ljubimce.

U ovoj knjižici ćete pronaći korisne informacije za zabavan i siguran boravak u Crikvenici.

Molim vas, pridržavajte se mojih preporuka da bi nam boravak u **Crikvenici** bio što ljepši i ugodniji!

Vaš **Kiri** 

Kirijevi savjeti

Ne zaboravite da u šetnji gradom moramo biti **na povodniku**. Slobodno, bez povodnika, možemo se zabavljati samo na mjestima predviđenima za našu igru i kupanje.

Mi ne možemo **čistiti** za sobom; to je vaša dužnost jer smo mi vaše zrcalo. Tužan sam i sramim se kada ne očiste za mnom i mojim prijateljima.

Ako se slučajno izgubimo, budemo jako tužni i uplašeni. Vlasnici, lakše ćete nas pronaći uz pomoć čipa. Zato je važno da smo **propisno čipirani**!

Ljeto je vruće, a većina nas teško podnosi vrućinu. Osigurajte nam uvijek **svježu vodu** i **mjesto u hladu**. Bolje se osjećamo i lakše podnosimo vrućinu ako nas redovito češljate i održavate naše krzno.

Kiri na plaži

R Moje table dovest će vas do plaža za nas pse. U mome gradu pronaći ćete tri plaže koje su namijenjene mojim prijateljima i meni. To su plaže u Crikvenici (**lučica Podvorska**), Selcu (**uvala Slana**) i u Jadranovu (**Tunera**). Svi smo dobrodošli!!!

R Ako je vaš pas agresivan, imamo problem. Nasilno ponašanje nije dobrodošlo. Ne volim se svađati ni tući. Kirijeve plaže su za kupanje, igranje, izležavanje i uživanje.

R Osigurajte nam dovoljno prostora za boravak na plaži, no poštuje i prostor ostalih prijatelja.

R Na Kirijevoj plaži u Crikvenici svi prijatelji mogu uživati i u jedinstvenom kafiću za pse.

R Prijatelji i ja se ne kupamo i ne boravimo na plažama na kojima to nije dozvoljeno. Ružno je kupati se tamo gdje nisi dobrodošao!

Kiri na igralištima za pse, šetnicama i u parkovima

Slobodno se igram samo **na mjestima gdje mi je to dozvoljeno**. Table će vam pomoći da pronađete mjesta na kojima je igra najzabavnija.

Posebno molim sve moje prijatelje da se ne igraju i ne borave bez povodnika na dječjim igralištima.

Kiri on Dog Playgrounds, Promenades and in Parks

I play freely only where I am **allowed to**. The information boards will help you find places where playing is the most fun.

I especially appeal to my friends not to play or stay on children's playgrounds without a leash.

Kiri at the Beach

 My information boards will lead you to beaches arranged for us dogs. In my town, you will find three beaches intended for my friends and me: the **Podvorska Harbour** in Crikvenica, the **Slana Cove** in Selce and **Tunera** in Jadranovo. We are all welcome there!!!

 If your dog is aggressive, we have a problem. Violent behaviour is frowned upon. I do not like to quarrel or fight. Kiri's beaches are meant for swimming, playing, leisure, and enjoyment.

 Make sure we get enough space on the beach, but also take into account the space occupied by other friends.

 At Kiri's beach in Crikvenica, all friends can also enjoy a unique dog café.

 My friends and I do not swim or stay on beaches where it is not allowed. It is not nice to swim where you are not welcome!

Kiri's Advice

Do not forget that we have to be kept **on a leash** when we walk around town. The only places where we can play freely, without a leash, are places arranged especially for us to play and swim at.

We cannot **clean after** ourselves; this is the duty of our owners, because we are their reflection. I become sad and ashamed when one does not clean after me and my friends.

If we happen to get lost, we become very sad and scared. The microchip will make it easier for the owners to find us. This is why it is important that we get a **proper microchip!**

Summer is hot, and most of us have a hard time dealing with the heat. Always ensure us **fresh water** and **a place in the shade**. We feel better and endure heat easier if you comb and groom our coat regularly.

**Dear friends,
welcome to Crikvenica!**

My name is **Kiri**, and Crikvenica is my home that I would like to present to you.

Many of my dog friends also live in Crikvenica. Every year, we get visits from many friends from all around the world who are always happy to return.

I am very happy that a new beach, promenade, playground or another space are arranged in Crikvenica every year for me and my friends. We love to spend time there and enjoy the company of our owners and all of you who love pets.

In this booklet, you will find all the useful information for a fun and safe stay in Crikvenica.

Please, follow my recommendations so that we could all enjoy our stay in **Crikvenica!**

Yours, **Kiri**
